

WOLF

Tragedy was something I knew all too well. My years as a detective showed me the worst life had to offer... but it wasn't the homicides that had me stepping down from the force. Losing my fiancé and partner, Martin, to a senseless act of violence had. Now I'm a private investigator and I choose my own assignments. A questionable bear attack should have been a simple case, but nothing about Wolf River, or my main suspect, Alexander Villani,...

Peek Inside the Book

Well, until it died right along with my partner and fianc. It was from a robbery in a town we werent even froma bullet right through his head. Life didnt make sense. How many times had we been in the face of danger and come out unscathed? So many that I couldnt even come up with a number. Yet, our...

Reader's Opinions

This review has been hidden because it contains spoilers. To view it, click here. Alex's story pulled at my heart strings. To live as a human for the majority of his life and because of circumstances beyond his control, he is now only part human. He believes living as a recluse is best for everyone. Until bodies start stacking up in...

Received as an ARC for an honest review. I have read almost every book Ms. Angelini has written and this one did not disappoint. It is a beautifully written paranormal romance between human and werewolf. I love her vampire series and now I am hooked to her werewolf series!!! Okay now on to the review.Wolf...
