

SPACEHAWK

Basil Wolverton is one of the greatest, most idiosyncratic talents in comic book history. Though he is best known for his humorous grotesqueries in MAD magazine, it is his science-fiction character Spacehawk that Wolverton fans have most often demanded be collected. The wait is over, as The Complete Spacehawk features every story from Spacehawk's intergalactic debut in 1940 to his final, Nazi-crushing adventure in 1942. Spacehawk is the closest thing to...

Reader's Opinions

Great collection of gorgeous (insofar as the grotesque can be gorgeous) Wolverton comics. The early stories are the most interesting, before Spacehawk takes off his mask and morphs into basically a standard-issue superhero. In the early stories, his mask and the mystery surrounding him make him nearly as creepy as the villains. And...

The first half of the book (the space stuff) is five fucking stars. After that, where the editors step in and tell Wolverton to drop what he's doing and focus on...
