

HOW THE WORLD WORKS

According to The New York Times, Noam Chomsky is “arguably the most important intellectual alive.” But he isn’t easy to read . . . or at least he wasn’t until these books came along. Made up of intensively edited speeches and interviews, they offer something not found anywhere else: pure Chomsky, with every dazzling idea and penetrating insight...

If you abandon the political arena, somebody is going to be there. Corporations aren't going to go home and join the PTA. They are going to run things. Noam Chomsky, How the World Works //

Reader's Opinions

Noam Chomsky's How the World Works (HWW) has an awfully high-falutin' title, but it seems to be quite accurate in describing the content. HWW is actually a collection of four abridged books, some of which are interviews with Chomsky, others of which...
