

THORNS

~BOOK 2 IN THE FROST CHRONICLES~Lia Weaver went against everything she'd ever known when she risked her life to help a Farther fugitive named Gabe escape from the Aeralian soldiers, and her life changed forever. And the Frost changed, too—the Farthers have taken over her village, a new group of vigilantes calling themselves the Blackcoats are making plans to overthrow the Farther occupiers, and the Thorns are seeking for...

Reader's Opinions

3.5 stars - I liked this book, but I kind of feel like Ellison kind of went off track with it. Don't get me wrong. I still enjoyed the story, and I liked that the book answered some of my questions about who the Thorns were and where they came from. But I felt Ellison spent so much time creating a storyline for the Blackcoats instead...

I didn't find this book as enjoyable as the first one, although it still kept up a good pace and developed the story further in an interesting way. None of the story developments seemed intrinsically major, though, which was disappointing. Another thing that bugged me is the sight of what...
