Peek Inside the Book

The world moves with motiveless necessity. By this is meant that it has no motive of its own, but is under the necessity of manifesting your concept, the arrangement of your mind, and your...

Reader's Opinions

How to awaken...then Read, "Your Faith is your Fortune" ...this will blow your mind.

Neville Goddard lectured and wrote his books long before law of attraction became a buzz word and before the documentary The Secret and other publications came out. I found it refreshing to read about his thoughts without all of today's theories and hype. The case studies sound convincing. One story about a young man who imagined himself...
