Reader's Opinions

The Flood was greater than Fever to the extent that Fever was greater than The Interrogations. Were these three books Le Clezio's only books, they would be the literary equivalent of Warsaw/Unknown Pleasures/Closer.

The author was famous already as a young man in the 1960s, but it took him another forty years to win the Nobel Prize. Almost as long "The Deluge" has been sitting unread in my bookshelf until I finally got around to read it in a Norwegian translation this summer. It is a novel to test the reader's patience. Especially the first forty...
