Reader's Opinions

I got this as a gift. I probably wouldn't have chosen it for myself, but it has recipes that are exactly what they say they are- vegan pizza recipes that give you new ideas, tips and interesting food combinations to make a classic pizza something a bit more special. My only criticism is that I wish it had more photos- the cover looks...

There is a high ratio of the usual sausage/pepperoni/hamburger flavors, veganized, and most recipes call for "Vegan Mozzarella" without providing a recipe. Commercial vegan mozzarella kind of defeats the purpose for me, and they're mostly terrible and expensive. There are decent homemade alternatives, but none are included, nor are...
