

THE MCCLANE APOCALYPSE: BOOK 2

Having survived the first few months of the apocalypse, the McClane family forges on through turmoil and strife. John and Reagan make a fateful trip on horseback through the dense Tennessee forest to the nearest city for desperately-needed supplies. However, this will prove more dangerous than they could have ever anticipated, and they quickly learn just how far humanity has plummeted into a well of darkness and despair. And Reagan will discover just how far John will go to keep her safe. The family's...

Peek Inside the Book

been so yielding to the wishes and demands of those set against the second amendment. Kate Morris, The McClane Apocalypse: Book 2 //

Reader's Opinions

This review has been hidden because it contains spoilers. To view it, click here. I liked this book a lot more than the first. I read a lot of reviews of people disappointed in Reagans character in the book but I disagree. Reagans struggles in the city with John show the progression of her PTSD. I think it makes it more realistic and...
