## Peek Inside the Book

Your mouth says "No," but your eyes say, "Fuck me until your dick breaks off inside me and fuses into some kind of barbie doll crotch. Robert Kirkman, The Walking Dead, Vol. 26: Call to Arms //

Protecting the weak is the whole fucking basis for civilization. If you're not protecting the weak, you're not civilized. You're fucking animals. Robert Kirkman, The Walking Dead, Vol. 26: Call to Arms //

## Reader's Opinions

This storyline is really strong and just keeps getting better. Wish the TV series would catch up to what's happening in the comics faster.

Did not see that coming. I have Vol. 27 but then I am SOL for a while....stupid cliff hangers \*cries\*
