

THE SILMARILLION

Designed to take fans of The Hobbit and The Lord of the Rings deeper into the myths and legends of Middle-Earth, The Silmarillion is an account of the Elder Days, of the First Age of Tolkien's world. It is the ancient drama to which the characters in The Lord of the Rings look back, and in whose events some of them such as Elrond and Galadriel took part. The tales...

Reader's Opinions

Ever since I joined GR Ive been putting off the writing of this books review but since Im high as fuck on cold medicine I feel like I can do it so here suffer thru it!:Along long time ago a little 3rd world kid with an afro...

Sil remains my all-time favorite story. Many find it dry and antiquated. I understand what they are saying, but I see it in the light of being Tolkien's true treasure-trove without any of the "bridge-building anachronisms" of LotR. This is the core mythology of his creation, and it...
