## Peek Inside the Book

For a free, self-governing people, something more than a vague familiarity with history is essential, if we are to hold on to and sustain our freedom. David McCullough, The Course of Human Events //

Why would anyone wish to be provincial in time, any more than being tied down to one place through life, when the whole reach of the human drama is there to experience in some of the greatest books ever written. David McCullough, The Course of...

## Reader's Opinions

In 2003, historian David McCullough delivered the Jefferson Lecture in the Humanities in Washington, DC. Released as an audiobook in 2005 as The Course of Human Events, this speech is a 45 minute love letter to the field of history itself, and a joy to listen to for those who share McCullough's passion. My first encounter with McCullough...

This is a 45 minute speech, not a book, so I need to remember not to count it in my 2015 reading challenge. Worth a listen for the author's perspective on history. I haven't actually read any of his books. American History has always bored me, but I might give him a shot some time.
