## Reader's Opinions

Review: 4 out of 5 starsContains possible spoilers from the first book, Gravity.I thoroughly enjoyed the first book in The Taking series, Gravity so I was more than eager to read the sequel Hover and it certainly lived up to all of my expectations and kept me flipping through the...

Hover is the sequel to the very promising Gravity, West's fabulous Ya science fiction series. It's a short and fast read, set on the planet Loge after the big showdown on Earth at the end of Gravity. Ari is still completing her change into an...
