

BETTY GOES VEGAN: OVER 500 CLASSIC RECIPES FOR THE MODERN FAMILY

BETTY GOES VEGAN is a comprehensive guide to creating delicious meals for today's vegan family. This must-have cookbook features recipes inspired by The Betty Crocker Cookbook, as well as hundreds of original, never-before-seen recipes sure to please even meat-eaters. It also offers insight into why Betty Crocker has been an icon in American cooking for so long-- and why she still represents a certain style of the modern super-woman nearly 100 years after we first met her. With new classics for breakfast, lunch, dinner, and dessert, including omelets,...

Reader's Opinions

well, this is a very interesting book. It relies heavily on meat and dairy analogues as ingredients, which is sort of interesting, as I didn't have a lot of ideas on how to use these. I made the Roasted "chicken"...

Oh happy day - I got an advanced copy of a vegan cookbook at my office! I love a cookbook that is as much fun to read as it is to cook from -- and this fits that bill. From a recipe perspective, it focuses on using vegan substitutes -- and this is helpful as I try to be more adventurous with my ingredients. From a daily use perspective,...
