

THE FIELD GUIDE TO THE NORTH AMERICAN BIRD

Let your finger do the talking! There is one gesture that transcends language, race, gender, and age: the bird. Throughout time, man has brandished his middle finger to express anger or insolence, to scorn or to provoke. FIELD GUIDE TO THE NORTH AMERICAN BIRD documents great moments of creativity, ingenuity, and utter stupidity in the history of the one-finger salute. With step-by-step illustrations for more than 50 ways to give someone the finger, this handy little guide will...

Reader's Opinions

It is nice to be able to add to my repertoire. Windshield wiper and Kangaroo are my new favorites.

I added this to my Amazon wish list years ago because I thought it was funny. Then someone turned around and actually bought it for me. I never really got around to reading it. But it still made me smile when it arrived in the mail. 5 stars for the cover. 2 stars for the copy.
