## Reader's Opinions

One of the most charming titles I've read in the last few years! Colleen Doran (best known for "A Distant Soil") is a stellar choice to bring evocative life to Gaiman's charming prose. Highly recommended.

I received a free copy of this from Edelweiss for review purposes. This short tale is beautifully illustrated and tells a lonely story with some wonderful writing and elegantly simple prose. Neil Gaiman weaves reality and fantasy effortlessly and the art really compliments this piece and elevates it.
