

NEUROMANCER

The Matrix is a world within the world, a global consensus- hallucination, the representation of every byte of data in cyberspace . . .Case had been the sharpest data-thief in the business, until vengeful former employers crippled his nervous system. But now a new and very mysterious employer recruits him for a last-chance run. The...

Peek Inside the Book

To call up a demon you must learn its name. Men dreamed that, once, but now it is real in another way. You know that, Case. Your business is to learn the names of programs, the long formal names, names the owners seek to conceal. True names... William Gibson, Neuromancer //

Lost, so small amid that dark, hands grown cold, body image fading down corridors of television sky. William Gibson, Neuromancer //

Reader's Opinions

people who really like geometry

the following is a Reverse Exquisite Corpse Review, brought to you by the good folks at Sci Fi Aficionados._____I first read Neuromancer about 20 years ago. Writing with strokes instead of details is an interesting way to describe Gibson's writing. That's how I feel about some of the performance art I...
