## Reader's Opinions

Stellar twist on the origin story of Peter Pan. Would love to see a production of this. It sounds like it would be expensive to produce, but lovely to see unfold before your eyes. I may have to pick up the novel next.

Full disclosure: The high school in which I teach is doing this for their fall drama this year. We did the read-through today, and it's a lot of fun! Hilarious and touching, with allusions abound. It's also, however, confusing, and not all of it makes complete sense. Can't wait to see this onstage.
