

SPONTANEOUS HAPPINESS

Everyone wants to be happy. But what does that really mean? Increasingly, scientific evidence shows us that true satisfaction and well-being come only from within. Dr. Andrew Weil has proven that the best way to maintain optimum physical health is to draw on both conventional and alternative medicine. Now, in Spontaneous Happiness, he gives us the foundation for attaining and sustaining optimum emotional...

Peek Inside the Book

But hard does not mean depressed, just as easy does not mean content. Andrew Weil, M.D., Spontaneous Happiness //

Reader's Opinions

Integrative health guy talks about how to fight depression through a whole-health integrated lifestyle instead of relying solely on pills. He addresses lifestyle, eating, negative thought patterns, meditation, exercise, and spirituality. He's in some senses adapting his entire anti-inflammatory diet and philosophy of health to mental...
