Reader's Opinions

A lovely story to read to a falling asleep baby. I like the animals that the authors chose and the ending is sweet, though I'm not sure it flows super well. I'll be reading this one regularly to my little one. The pictures are beautiful and I'm a huge sucker for a sea otter as well.

A lovely animal book that has great illustrations and teaches Alaskan/PNW beasts to the kids. The book ends with an excellent reinforcement of "loving you for the person you are."
