

WONKENSTEIN

Twelve-year-old underachiever Rob has better things to do than read. His parents give him lots of books but most of them just end up in the messy pile of junk he keeps locked in his closet that once doubled as a makeshift science laboratory. One day, Rob hears weird...

Reader's Opinions

Love ReadingWhat a cute story about learning to enjoy reading. My sons appreciated the funny pictures. They love to read and so didn't need the message of the book, but they loved it anyway. I think it would be great for reluctant readers between 8 and 11 years old.
