

# THE SILENT HISTORY

An innovative literary thriller about a generation of children born unable to create or comprehend language. Sometime right around now, doctors, nurses, and—most of all—parents begin to notice an epidemic spreading among children. Children who are physically normal in every way except that they do not speak and do not respond to speech; they don't learn to read, don't learn to...

## Peek Inside the Book

What unknown abilities had filled this void? Was the world somehow brighter, more tangible, without the nagging interference of language? Was the absence of words actually a form of freedom? I've often tried to quiet that constant voice in my mind, to try to experience the world the way they might but always the questions rush in faster than I can carve out a moment of true silence. ## Reader's Opinions

Dentro de La Historia Silenciosa (editado en nuestro país de la mano de Seix Barral) conviven varios libros, libros convergentes más que divergentes, libros que circulan en paralelo unos respecto a los otros pero que eligen un momento muy diferente para brillar en solitario sin necesidad de pisar a los demás. Pueden buscarse los rastros...
