

# FUTILITY, OR THE WRECK OF THE TITAN

Futility, or The Wreck of the Titan is Morgan Robertson's 1898 novella about the unsinkable ship Titan, which goes down after striking an iceberg in the North Atlantic. Disgraced former naval lieutenant John Rowland is working as a deckhand on the Titan when it strikes an iceberg and capsizes. Saving the younger daughter of a former lover by jumping onto the iceberg with her, Rowland and his charge are eventually rescued...

## Reader's Opinions

People have made a case over the prophetic aspects of this book, and it is true that there are some coincidences relating the fictional Titan to the real life Titanic. But a careful look at the time in which...

Morgan Robertson predicted how the Titanic would be built and how it would sink way before the planning of it's building. The size, the reputation, the voyages, the hitting of the iceberg, the witness' account and all the details are almost exactly the same. He even called the ship in his story the Titan. The ship that was said to be...
