Peek Inside the Book

friends, Daniel James Brown, The Indifferent Stars Above: The Harrowing Saga of the Donner Party //

Reader's Opinions

What Brown does so well is help a modern reader understand these pioneers from the mid 1800s- their motivations and mind set, the day to day arduous travel reality, and of course a devastating story of hope and horror in the struggle for survival.

Wow! I did not know the story of the Donner party and whenever I mentioned to someone that I was reading about it they would say, "oh no! It's really gruesome!" Well, (spoiler) they were right. But I felt this book was well written and very carefully researched. It you ever thought the idea of pioneering was romantic, you probably should...
