Reader's Opinions

I just finished reading the theta waves series and OMG. Blew my mind. I wasn't really sure what to expect and well it was definitely not what I thought. Went a lot darker and more explicit than what I'm usually comfortable with. But I loved the rawness of thea's writing. It took you to a place that could one day be just like that....

Loved it! Thea Atkinson is right you will either love Theda or you will hate her. I gave her a chance and fell in love with her.
