

THE ALTARPIECE

It is 1535 and in the tumultuous years of King Henry VIII's break from Rome, the religious houses of England are being seized by force. Twenty-year-old Catherine Havens is a foundling and the adopted daughter of the prioress of the Priory of Mount Grace in a small Yorkshire village. Catherine, like her adoptive mother, has a gift for healing, and she is widely...

Reader's Opinions

I received a review copy of this book for free from Knox Publishing, and I was unbelievably excited to read it - a new Tudor historical fiction? Count me in! Unfortunately, to say I couldn't get into it is an understatement. I struggled from the very beginning, with nuns who swore, were petty & cruel to their fellow sisters, and were...

The year is 1535, and King Henry's martial issues and his defiance of the Pope and Catholic Church is having far-reaching consequences for his people. As he sets himself up to be the religious power, he decides to break the settings of the Catholic Church and orders the nunneries and monasteries to be closed; their inhabitants required...
