

# SPACE CHRONICLES: FACING THE ULTIMATE FRONTIER

America's space program is at a turning point. After decades of global primacy, NASA has ended the space-shuttle program, cutting off its access to space. No astronauts will be launched in an American craft, from American soil, until the 2020s,...

## Peek Inside the Book

The problem comes when religion enters the science classroom. There's no tradition of scientists knocking down the Sunday school door, telling preachers what to teach. Scientists don't picket churches. By and large, though it may not look this way today, science and religion have achieved peaceful coexistence for quite some time. In fact, the greatest conflicts...

You know that passage in the Bible that says, And the meek shall inherit the Earth? Always wondered if that was mistranslated. Perhaps it actually says, And the geek shall inherit the Earth. Neil deGrasse Tyson, Space Chronicles: Facing the Ultimate Frontier //

## Reader's Opinions

I never thought reading about science can be easy and fun. I like the style of Neil deGrasse Tyson. He is now officially my favorite author. I did not understand why the appendices at the end were added, but, apart from that, in my opinion this is a 5-star book.
