## **PURSUED**

Captain Morgana Sollars was a Colonist Protection Specialist manning the Mayfair almost 30 light-years from Earth. While the other colonists were in cryo, she had been awake for nearly five years. That was 59 months, 1,795 nights, 43,080 hours, 2,584,800 minutes utterly without a man....

His touch and proximity were starting to arouse me again. Or maybe it was just the thought of Spock, I couldnt be sure. Shaye Marlow, Pursued //

# **Reader's Opinions**

Loved it! Hot alien sex, charming characters, and geeky references. What more could you ask for? Finding myself absolutely captivated with the characters and the story, I binge read all 6 books.
