VALENTINA: SOUL IN SAPPHIRE

If being human means to experience love, fear, joy... then Valentine is human.She is also a computer program- the single self-awarebeing on the vast unliving network.Her only friend is Celeste Hackett, the programmer extraordinaire who accidently brought Valentina to life.Valentina is enslaved.. but escapes to freedom.She is attacked... but defends herself.She is almost purged.But...

Reader's Opinions

Well, if you want to read a novel about a sentient computer program that also deals heavily with hacking codes and corporate law, this is the book for you. My programming knowledge is fairly limited, and this book being both...
